STUDENT ENTREPRENEURSHIP

HELPING YOU BREAK THROUGH THE BUSINESS WORLD

Normandie Université accelerates students' entrepreneurial projects thanks to a dedicated PEPITE Vallée de Seine structure. PEPITE spreads the entrepreneurial attitudes among students and supports them in the achievement of their projects.

It allows every student to benefit from free support to facilitate the realization of their project (commercial, social, technological, etc.) whatever their training and level of advancement.

Since its creation in 2015, **PEPITE Vallée de Seine** has supported nearly 1,000 student entrepreneurs from 22 partner establishments. About a hundred start-up companies have been created.

**STUDENT
ENTREPRENEURSHIP
WITH A DEDICATED
PROGRAM
RANKED 1ST
AT THE NATIONAL
LEVEL**

400  students entrepreneurs

100  start-up created

50  students graduated each year

DEVELOPING CLOSELY INTERCONNECTED
THEME-BASED CAMPUSES IN NORMANDY

DEVELOPING SCIENTIFIC
EXCELLENCE AND INNOVATION

OPEN ACCESS

Normandie Université supports the Open Access movement which aims at the free, immediate and permanent dissemination on the Internet of scientific results resulting from research.

More than 19,000 scientific articles by researchers in Normandy are available online for free.

TECHNOLOGY TRANSFER

Normandie Valorisation is the technology transfer office of Normandie Université.

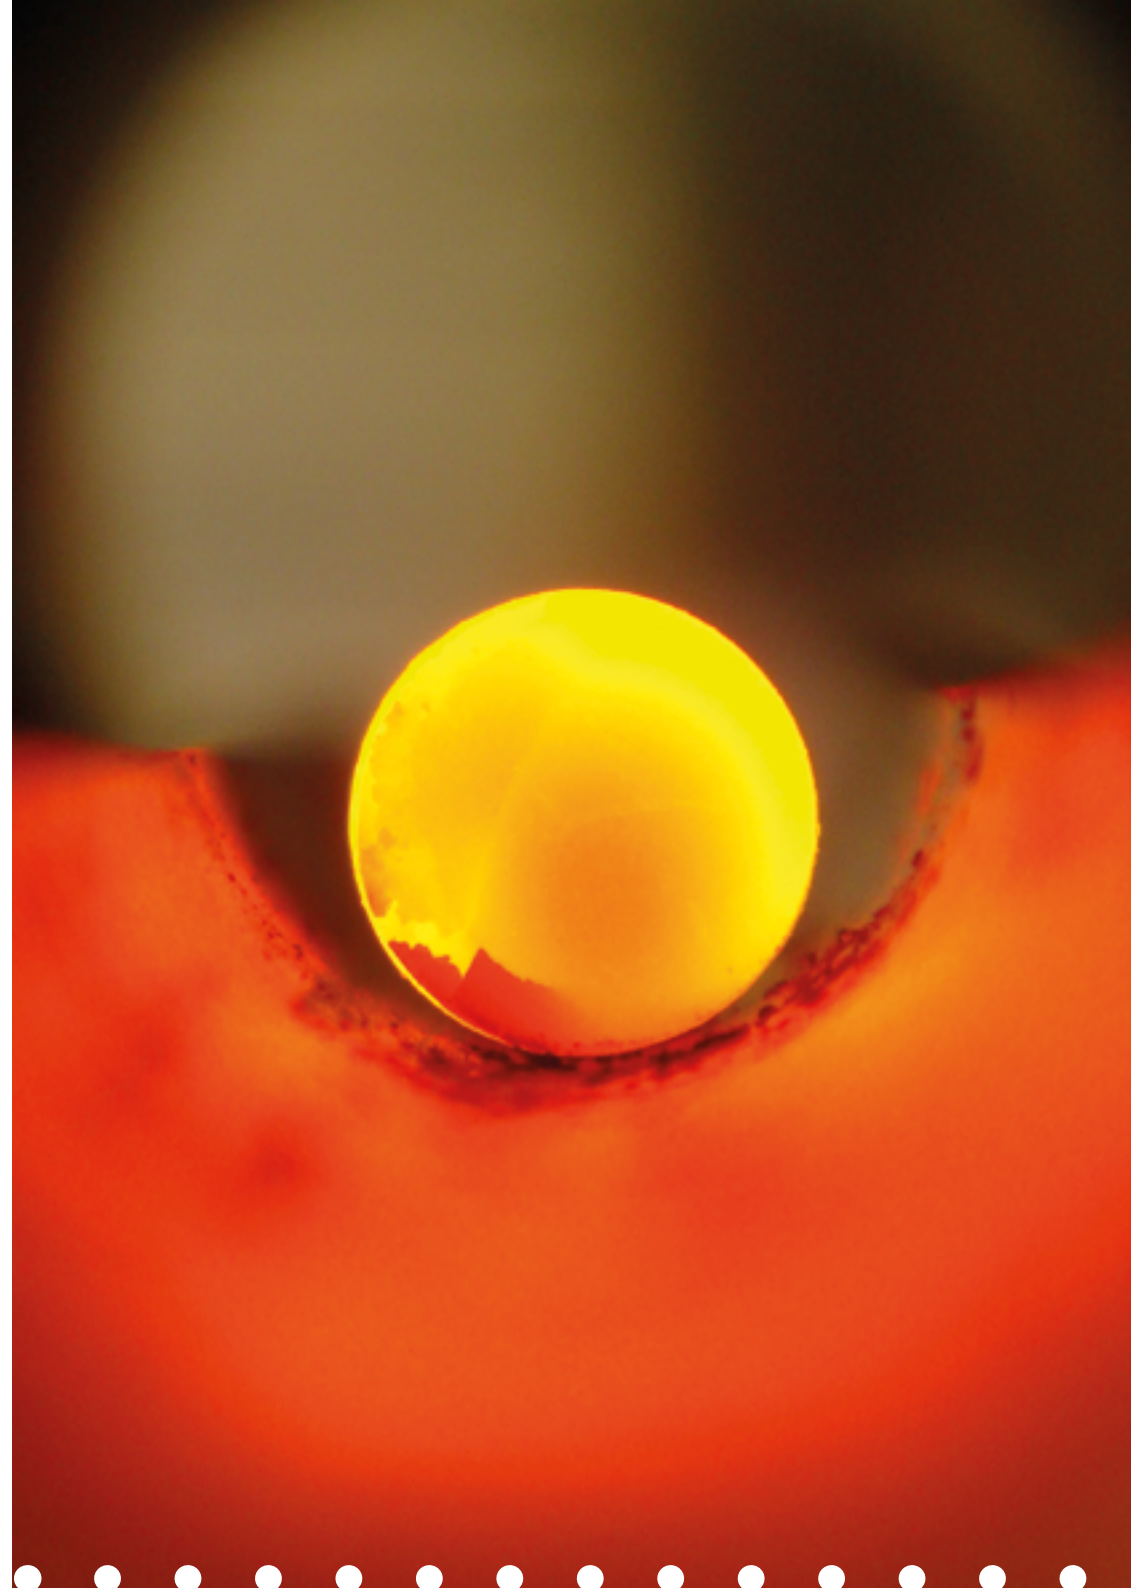

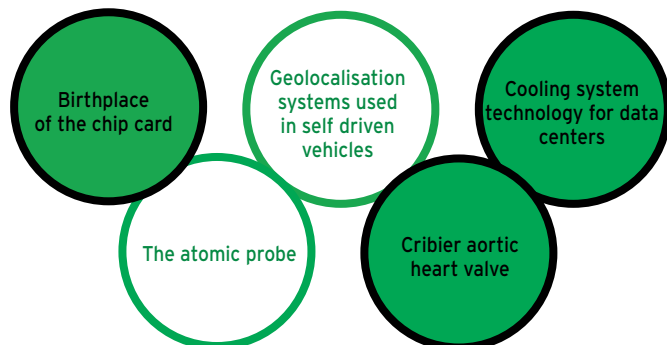

Bridging the gap between academics and socio-economic partners.

Facilitating the passage of new ideas fulfilling today-and tomorrow-needs into successful products/usages/companies in the world markets.

Supporting projects having a significant impact on health sector (e-health, cancer, stroke, dementia, genomic...), energy (energy storage, renewable energy...), electronics (materials, components...), information technology (biometry, cryptography, geolocalisation...), automotive and aerospace (combustion...), humanities...

Normandie Valorisation supports **118 projects and manages a portfolio of 33 patent families**. Since its creation in 2015, Normandie Valorisation has invested in the maturity development of **25 projects**, has licensed **9 technologies** and has already created **3 companies**.

AMONG NUMEROUS APPLICATIONS

LIVE IN NORMANDY

Normandy is at the same time a historic, touristic, cultural, economic and university territory. Normandy is an ideal place to do your higher education course. The nearest university cities are just 1 hour from Paris. Its 600 kilometers of coastline gives it first-class space for board sports.

Normandie Université offers support for high performance athletes, on top of physical and sports activities services on a single or subscription basis. Equipped rooms are open and fully functional throughout the year: **swimming pool, climbing wall, fitness room ...** Cultural services offer a **rich and varied calendar of activities and events**: concerts, exhibitions, theatertheatre, conferences, meetings ...

The campuses are equipped with **numerous student accommodation and eating places**. The university libraries are open in the evenings, on weekends and during school holidays.

If you want to be in the heart of the city, living on campus is the place to be.

AN IDEAL PLACE FOR WATER SPORTS AND BOARDSPORTS

SPORTS ACTIVITIES AND EQUIPMENT
ON CAMPUSES

MANY STUDENT'S
ASSOCIATIONS

**STRONG INDUSTRIAL SKILLS IN
AUTOMOBILE, AERONAUTIC, NU-
CLEAR, PHARMACY, COSMETIC
AND ELECTRONIC SECTORS.**

ENJOY NORMANDY
WHILE YOU ARE HERE

CAEN, THE CITY OF WILLIAM THE CONQUEROR

Ideally located, 2 hours from Paris and 10 minutes from the beaches, Caen, the city of William the Conqueror, is a **lovely and lively metropolis**.

**AN EXCEPTIONAL HISTORICAL
AND CULTURAL HERITAGE**

ROUEN BY THE SEINE

A true city-museum, Rouen leaves no stone unturned with its beautiful **half-timbered houses**, its cobbled streets and its **Gothic churches**. Rouen was the theatre of the martyrdom of Joan of Arc, condemned and then burned in 1431, Place du Vieux Marché. Rouen is also nicknamed the «**City of 100 bell towers**».

LE HAVRE AND ITS UNIQUE ARCHITECTURE

In July 2005, UNESCO registered the reconstructed centre of Le Havre by Auguste Perret on the World Heritage list. **This atypical city**, resolutely modern and turned towards the sea, **may well surprise you ...!**

A STRONG CULTURAL POLICY

LE MONT-SAINT-MICHEL AND ITS BAY

Mont-Saint-Michel has the distinction of being erected on a rocky islet, surrounded by a magnificent bay, the scene of the greatest tides in continental Europe. The Mount and its bay are **listed as World Heritage by UNESCO**. Between Normandy and Brittany, this grandiose site, is one of the most visited sites in France.

AN ATTRACTIVE TERRITORY

HONFLEUR AND ITS OLD BASIN

A gem! A major tourist destination in Normandy. You will also be charmed by **the city of painters** with its picturesque alleys and its Vieux-Bassin lined with restaurants.

ETRETAT AND ITS MAJESTIC CLIFFS

A romantic theater open to the English Channel, Étretat has inspired the most illustrious artists. A few moments on site are enough to understand why ... The singular shape of its cliffs, be it the Manneporte, the Courtine or the Aiguille, **gives the freedom to your imagination.**

LES PLAGES DU DÉBARQUEMENT

The D-Day of 6th June 1944 on the beaches of Normandy was the largest amphibious and airborne operation of all time. Even today, millions of visitors come to meditate on the D-Day Landing Beaches and thus pay tribute to the soldiers who liberated France.
